

Virginia Correctional

Enterprises (VCE) is not supported by General funds. Instead, the monies retained from these products and services ensure that VCE provides work opportunities and skill learning programs to inmates who will be returning to the communities of Virginia. All tax-supported agencies and non-profit entities are authorized to purchase these goods and services. Together, we teach inmates the necessary skills they need to successfully find and keep a job outside of the prison walls.

Braille Group

Brochures

Business Cards

VCE BRAILLE is staffed by Library of Congress-certified transcribers who provide a variety of services such as:

- Print-to-Braille transcription
- One-sided and interpoint Braille embossing
- Electronic delivery (non-embossed)
- Small job binding

Our transcribers are certified by the Library of Congress and experienced in literary Braille transcription, textbook transcription, Nemeth Code (math and science) and proofreading.

We are experienced in transcribing:

- Literary materials
- Textbooks
- Brochures
- Newsletters
- Business cards
- Menus
